COMPANY SUMMARY

Bluefox Cleaning Solutions is an in-house crew: our own trained people and our own specialized equipment on every job. We handle post-construction cleaning, commercial janitorial maintenance, pressure washing, window cleaning and debris removal, from small residential projects to large commercial buildings that call for a white-glove finish. We work around the schedule as it shifts, and the result comes first, whatever it takes. We take pride in every project we undertake, and we work with the client on every specific need.
